Loving God, neighbour and self with heart, mind, soul and strength.

Our New Ministry Centre...

With the old church building a cherished memory, our New Ministry Centre has proven to be a landmark situated in the heart of Wyndham. Designed to serve God and the community, this new home to our congregation is a place of ministry and resource.

A testament to our faith....

The **cross** and **blood** represent a testament to our faith in Jesus Christ, the perfect sacrifice for the sin of all humanity. Just as it is **present** at the front of the new ministry centre, this empty **cross** reminds us of Jesus Christ, the risen King, and the need for His **presence** in our lives.

The Holy Trinity...

Father, **Son**, and **Holy Spirit**; let this be our prayer that the people of Wyndham and the wider community, that is, ALL children of the **Father**, keep their eyes set on the **Son**, and forever grow in the **Spirit**.

God the Creator....

In the beginning God created EVERYTHING...
He formed the earth by hand, placed living things all over it, and wrapped it in a glorious blue sky.
Let these symbols demonstrate our ongoing commitment to ALL of God's Creation!
